

LIVING WORD SCHOOL OF MINISTRY POLICY

FOREIGN APPLICANT INFORMATION

We appreciate your interest in the Living Word School of Ministry. Listed below is necessary information in regards to admission for international students. Although we certainly welcome international students to attend our school, our school is currently set up to instruct students in the United States, i.e. (tax laws, etc.).

The following would need to be completed prior to your acceptance to our school.

1. **VISA CLEARANCE** – You will need to obtain visa clearance on a tourist or visitor status as the Embassy directs you. The U.S. Embassy will have the information necessary in coming to our country. We are not approved by the Immigration Service to grant clearance for a Student visa. We are not an approved organization with the U.S. Government and therefore are not recognized as an acceptable school or college. When you have obtained this Visa clearance, please fax a copy to us. Our Fax number is 708-771-7694.
2. **FINANCES** – Since we are not a federally recognized school, students outside of the United States cannot be employed in the U.S. It is very important that you come with sufficient finances to pay for school as well as nine months of living expenses.
3. **SCHOLARSHIPS or GRANTS** – We are not able to provide scholarships or grants.
4. **HOUSING & TRANSPORTATION**- All students are required to provide their own housing and transportation. We do not have these services available. There is however public transportation within the walking distances to our facilities.

Please understand that it is necessary for us to give you these facts. We believe along with you that God will provide all of these necessary elements for you.
